

2014 MODEL LINE UP

## IF YOU'RE LOOKING FOR SOMETHING DIFFERENT, GET IN.

For more than 30 years in the U.S., we've had a passion for designing vehicles that encourage individuality. Whether you want the most fuel-efficient, non-hybrid vehicle on the road, or crave the astounding performance of our revolutionary Super All-Wheel Control, you'll find our commitment to innovation in every car and crossover vehicle we build. It's evident in our advanced safety features that we engineer to help protect you and your passengers. And it's clear in our green technologies that we are paving the way with industry-leading knowledge in battery electric vehicles to develop future EV and PHEV models. So no matter what road you're inspired to travel in life, we have a vehicle designed just for you. Find your own lane.

## TECHNOLOGY OVERVIEW

**FROM TOUCHSCREEN TECHNOLOGY TO HANDS-FREE CONVENIENCE, OUR FORWARD-LOOKING VEHICLES ARE AVAILABLE WITH SOME OF THE MOST ADVANCED FEATURES IN THE INDUSTRY. FEATURES THAT HELP YOU MAKE THE MOST OF YOUR DRIVE TIME WHILE NOT DISTRACTING YOU FROM THE ROAD AHEAD.**

### 01 MITSUBISHI MULTI-COMMUNICATION SYSTEM (MMCS)

Boasting a 7 in. high-definition touch-panel display, the intuitive Mitsubishi Multi-Communication System (MMCS) offers a host of advanced features, including 3D mapping, expanded Point of Interest (POI) information and road speed limit display, ECO routing and subscription-free Real-time HD Traffic with Diamond Lane Guidance.

### 02 COLOR LCD MULTI-INFORMATION DISPLAY

An easy-to-read trip computer provides you with helpful information like average speed and gas mileage, instant fuel economy, cruising range to empty, outside temperature and even maintenance reminder info. The display is linked to the S-AWC system and provides performance information such as current road surface mode and real-time torque distribution.

### 03 ROCKFORD FOSGATE® PREMIUM AUDIO SYSTEM

The available Rockford Fosgate® 710-watt audio system powers 8 premium speakers and a 10 in. dual-voice coil subwoofer. The system incorporates an advanced Digital Signal Processor (DSP) and offers the listener Punch Control® over the subwoofer, sound field control over the image and staging of the system, and the latest DTS Neural Surround® technology.<sup>1</sup> The system is loaded with features like SiriusXM® Satellite Radio and HD Radio®, along with state-of-the-art technologies, such as Dolby® Volume, PremiDIA HD® and PremiDIA-WIDE® for dynamic audio performance on the road.<sup>2</sup>

### 04 FUSE HANDS-FREE LINK SYSTEM® WITH USB PORT

Incorporating Bluetooth® 2.0 technology, FUSE allows you full use of your Bluetooth-enabled phone and lets you play music from your iPod®, or other MP3 player and USB devices, hands-free.<sup>3,4</sup> Along with buttons on the steering wheel and touchscreen display, FUSE also utilizes advanced speech recognition technology so you can operate selected features with voice commands when connected to the USB port. FUSE recognizes up to seven different mobile phones, syncing up with contact lists from each phone that's been paired with the system and keeping the lists private to each user.

### 05 TOUCH PANEL DISPLAY AUDIO SYSTEM

Equipped with a 6.1 in. touchscreen, this sleek system sports a high-gloss black finish and uses app-like icons for easy navigation. Features include HD Radio, SiriusXM® Satellite Radio and a rear view camera. When equipped with FUSE Hands-free Link System, it also offers a phone dial screen and phone contact list importing.

Outlander GT with Touring Package in Cool Silver

## OUTLANDER

### MEET THE ALL-NEW MITSUBISHI OUTLANDER. IT'S LIGHTER, QUIETER, MORE AERODYNAMIC AND MORE FUEL-EFFICIENT THAN LAST YEAR'S MODEL.

In fact, it's the most fuel-efficient standard 7-passenger CUV on the market.<sup>5</sup> It's more responsible too, equipped with a cleaner running MIVEC engine. Along with seating for seven, it's loaded with convenient features, like a power liftgate, 60/40 split and fold second-row seats, 50/50 split third-row seats and push-button ignition. Plus, it offers some of the most advanced safety systems in its class.

---

#### ADVANCED SAFETY

Outlander offers many advanced safety technologies, such as Adaptive Cruise Control that uses a radar unit to help maintain a preset distance between you and the car ahead.<sup>6</sup> That radar is also used by the Forward Collision Mitigation system to help you avoid a frontal collision.<sup>7</sup> If a collision is imminent, it warns the driver and automatically applies the brakes. Plus, a Lane Departure Warning system monitors the lane position in front of the vehicle with a camera, cautioning the driver through a display and alarm if the vehicle begins drifting from its established lane.<sup>8</sup>

#### SUPER ALL-WHEEL CONTROL (S-AWC)

Upgraded for 2014, this advanced vehicle dynamics control system now features four driver-selectable modes: NORMAL for everyday conditions, SNOW for slippery terrain, LOCK for going off-road, and the new AWC ECO Mode, which sends power to two wheels during normal driving conditions to help save on fuel, yet can instantly transfer power to all four wheels the moment any slippage is detected. What's more, S-AWC is now available for the first time on the fuel-efficient Outlander SE, in addition to the top-flight GT trim.

#### SAFETY

## OUTLANDER SPORT

**THE SLEEK OUTLANDER SPORT IS THE COMPACT CROSSOVER THAT PROVES UTILITY DOESN'T HAVE TO BE DULL. ITS SMART SIZE MAKES IT PRACTICAL AROUND TOWN AND PULSE-QUICKENING AROUND CORNERS.**

It offers leading-edge features, such as Super-wide HID headlights. Inside, it's spacious and versatile, yet loaded with upscale appointments. All that, and a combined 31-mpg rating, too.<sup>5</sup>

---

### PANORAMIC GLASS ROOF

By day, the panoramic glass roof creates a fresh, open-air feeling throughout the interior. By night, the roof's LED lighting sets the mood for endless evening-drive possibilities.

### 18" ALLOY WHEELS

Standard on every 2014 Outlander Sport, aluminum-alloy wheels add a sporty touch to an already attractive profile. What's more, the 225/55R18 tires provide a large contact patch with the road to help improve traction.

## DESIGN

## TECHNOLOGY

## LANCER

**WITH LANCER'S SLEEK LINES AND SWIFT PERFORMANCE, YOU'LL SOON DISCOVER THE THRILL OF DRIVING ALL OVER AGAIN.**

Lancer offers a choice of 2.0-liter or 2.4-liter MIVEC engines, and such features as touchscreen navigation, FUSE Hands-free technology, available All-Wheel Control, and a Rockford Fosgate® premium audio system with some of the latest audio technologies. Good qualities to have in a long-distance relationship.

### 2.4L MIVEC ENGINE

Standard on the Lancer SE and GT, the 2.4-liter MIVEC engine is a 16-valve aluminum-block engine with dual overhead cams. This "long-stroke" engine produces 168 horsepower and 167 lb.-ft. of torque. With a balanced torque to horsepower ratio, the responsive 2.4-liter engine provides quick and confident daily driving power.

### SEVEN-AIRBAG SAFETY<sup>9</sup>

Lancer's Supplemental Restraint System (SRS) consists of seven airbags, including a dual-stage front, a front-seat side, and side-impact curtain airbags. The first compact sedan to offer one, Lancer also features a standard driver-side knee airbag, which helps stabilize the legs and lower body of the driver in the event of a collision.

Lancer GT in Rally Red

Lancer Ralliart in Mercury Gray

## LANCER RALLIART

### MANY OF THE ADVANCEMENTS WE'VE MADE DURING FOUR DECADES OF RALLY COMPETITION WE'VE APPLIED TO THE LANCER LINEUP.

To those who want a Lancer with more attitude we offer the Ralliart, a sporty edition inspired by our racing heritage. Along with an advanced turbocharged engine and full-time All-Wheel Control (AWC), it's bristling with race-inspired features, like a rear spoiler and an aluminum hood with heat extractor vents.

---

#### TWIN-CLUTCH SPORTRONIC® SHIFT TRANSMISSION (TC-SST)

Want even more power and control? The TC-SST in the Ralliart lets you relax in traditional automatic mode or take full control with the paddle shifters. In either case, shifting occurs faster than is possible with a traditional stick shift—offering the ultimate in performance.

#### ALL-WHEEL CONTROL (AWC)

AWC combines a full-time 4WD system with our Active Stability and Traction Control system to regulate torque from front to rear. The result is enhanced performance and traction under a variety of road conditions.

HERITAGE

## LANCER SPORTBACK

**WHO SAYS VERSATILITY HAS TO BE BORING? THE SLEEK LANCER SPORTBACK OFFERS WINDSWEPT EUROPEAN HATCHBACK DESIGN AND A CARGO CAPACITY OF 52.7 CUBIC FEET.**

It's loaded with thoughtful features, including available FAST-Key passive entry, which lets you lock or unlock the doors by pressing a button. Plus, you can start the engine with the keys tucked away in a pocket or purse.

---

### FIFTH-DOOR FUNCTIONALITY

In addition to the wide open loading advantage of Lancer Sportback, it also has a dual-level cargo floor. With a 60/40 split folding rear seat and a handy cargo lever that quickly drops the seatbacks, you get versatility on top of versatility.

### PLUG-IN ROOF RACK

Add even more storage options to your Lancer Sportback with this integrated roof system. With a variety of available cargo boxes to choose from, it gives versatility top priority.

## ACCOMMODATION

Lancer Sportback GT in Mercury Gray

## PERFORMANCE

## LANCER EVOLUTION

**LANCER EVOLUTION ISN'T MERELY A SPORTIER VERSION OF THE LANCER. IT'S AN ENTIRELY RE-ENGINEERED, HIGH-PERFORMANCE VEHICLE.**

Equipped with a turbocharged 2.0-liter MIVEC engine, Brembo® brakes and our legendary Super All-Wheel Control, one turn behind the wheel will leave you in slack-jawed amazement. And the competition in the dust.

### 2.0L TURBOCHARGED/INTERCOOLED MIVEC ENGINE

This all-aluminum block engine sports dual overhead cams, 16 valves, MIVEC and an advanced twin-scroll turbocharger. With 291 horsepower at 6,500 rpm and 300 lb.-ft. of torque at 4,000 rpm, Lancer Evolution is definitely built for speed.

### BREMBO® BRAKES

Lancer Evolution racing-inspired brakes from Brembo® are engineered to help reduce unsprung and rotating weight for better handling without sacrificing any braking performance.

Lancer Evolution MR in Phantom Black

Mirage ES in InfraRed

## MIRAGE

### MAKING A TRIUMPHANT RETURN TO NORTH AMERICA, THE ALL-NEW 2014 MITSUBISHI MIRAGE OFFERS A HOST OF UNEXPECTED FEATURES NOT COMMON TO THE SUB-COMPACT CATEGORY.

It's compact and nimble for around town practicality, but also offers comfortable seating for five. And with features such as FAST-Key passive entry, navigation and automatic climate control, it's surprisingly well appointed. Factor in the 10-year/100,000-mile Limited Powertrain Warranty and it's clear that this Mirage is for real.

---

#### CLASS-LEADING FUEL EFFICIENCY

Equipped with a super-efficient 1.2-liter engine, the Mirage achieves an amazing 44 mpg highway fuel efficiency rating. In fact, it's the most fuel-efficient non-hybrid gasoline passenger vehicle in America.<sup>5</sup>

#### CLASS-LEADING CO2 EMISSIONS RATING

Thanks to its aerodynamic design, efficient engine and innovative weight-saving measures, the Mirage not only delivers remarkable fuel efficiency, but also a class-leading CO2 emissions rating.

#### ECOLOGY

## MITSUBISHI i-MiEV

### THE i-MiEV IS A REVOLUTIONARY ELECTRIC POWERED ZERO-EMISSIONS VEHICLE.

Even when accounting for emissions at the plant generating the electricity to charge it, i-MiEV is responsible for only 30% of the CO<sub>2</sub> of a standard gasoline minicar. Plus, the driving cost is about one third that of a comparable gasoline vehicle — even less when it's charged during off-peak hours.

---

#### LED REAR COMBINATION LIGHTS

From bumper to bumper, the remarkable i-MiEV is a model of high technology and efficient engineering — right down to the energy saving LED rear combination tail lights.

#### THREE CHARGING SYSTEMS

The revolutionary i-MiEV accepts three types of battery charging systems: Household charger systems for either 120 or 240 volts, and the optional rapid charging system.

#### ECOLOGY

## WARRANTY

Powertrain	10-Year/100,000-Mile Limited Warranty
Basic	5-Year/60,000-Mile Limited Warranty
Anti-Corrosion/Perforation	7-Year/100,000-Mile Limited Warranty
Roadside Assistance	5-Year/Unlimited Mile

The 10-year/100,000-mile Limited Powertrain Warranty applies only to the original owner of new, retailed 2014 models purchased from an authorized Mitsubishi dealer. Subsequent owners receive the balance of the New Vehicle Limited Warranty of 5-years/60,000-miles. Different coverage applies to the i-MiEV, Lancer RALLIART and Evolution. The i-MiEV, Lancer RALLIART and Evolution have 3-year/36,000-mile coverage for New Vehicles and 5-year/60,000-mile coverage for Limited Powertrain Warranty. See retailer for limited warranty and roadside assistance terms and conditions. Technical data, equipment and options shown are based on the latest information available at the time of printing and are subject to change without notice. Colors may vary due to the printing process. Exterior and interior lights on vehicles shown may be illuminated for illustration purposes only. Vehicles are shown with optional equipment. Not all equipment is available on every model. For more complete details about equipment configuration and Mitsubishi Genuine Accessories, please contact your Mitsubishi Retailer.

See retailer for limited warranty and roadside assistance terms and conditions.

Log on to our website and browse our full lineup of new vehicles, get manufacturer's suggested retail price and customer rebate information and "build" the Mitsubishi that's right for you. The site can help you locate your nearest dealer - or even have a dealer contact you.

## FOOTNOTES

1. ©2013 Rockford Corporation. All Rights Reserved. ROCKFORD FOSGATE, PUNCH and associated logos where applicable are registered trademarks of Rockford Corporation in the United States and/or other countries. Specifications subject to change without notice.
2. Sirius services require subscriptions, sold separately after 3-month trial included with vehicle purchase. See our Customer Agreement for complete terms at [www.siriusxm.com](http://www.siriusxm.com). If you decide to continue your Sirius services at the end of your trial subscription, the plan you choose will automatically renew and bill at then current rates until you call SiriusXM at 1-866-635-2349 to cancel. Programming subject to change. Sirius satellite service available only to those at least 18 and older in the 48 contiguous USA, D.C., and PR (with coverage limitations). Sirius, XM and all related marks and logos are trademarks of Sirius XM Radio Inc.
3. The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc., and any use of such marks by Mitsubishi is under license.
4. iPod is a registered trademark of Apple Computer, Inc.
5. Based on EPA highway mileage rating. EPA estimates are to be used as a standardized comparison with other vehicles. Your actual mileage will vary depending on how you drive and maintain your vehicle.
6. The Adaptive Cruise Control System is not a collision avoidance system or an automatic driving system. It is designed to use only limited braking and is never a substitute for safe and careful driving. Never rely solely on the Adaptive Cruise Control system.
7. The Forward Collision Mitigation System is designed to help avoid or reduce the crash speed in certain frontal collisions. It is not a substitute for safe and careful driving. Under certain circumstances, the system may not operate or may not detect a frontal vehicle correctly.
8. The Lane Departure Warning System is designed to read the lane marks under certain conditions. It is not a collision avoidance system and is not a substitute for safe and careful driving.
9. Airbags are part of a Supplemental Restraint System (SRS). To decrease the risk of injury from a deploying airbag, always wear your seat belt, sit upright in the middle of the seat, and do not lean against the door. Always place children 12 and under in the rear seat and use appropriate child restraints. Never place a rear facing infant restraint in the front seat. See your owner's manual and instructions provided with your child restraint for additional information.
10. RECARO® is the registered trademark of RECARO GmbH & Co., K.G.
11. Miles per gallon equivalent combined city/highway based on EPA estimate. Actual MPGe may vary.

Mitsubishi Motors. California, USA.

At Mitsubishi, we believe not all drivers are created equal. So we build our vehicles for a different breed of driver, the fearless ones who take pride in what they drive, and refuse to drive more of the same. It's obvious to us that people who truly want distinctive styling and the latest technology see past the procession of bland imitations. We believe that every vehicle we make should stand for something. Something more than expected. And that's why we don't build Mitsubishi cars for stereotypes. We build them for you.
